

The  
Circle  
Maker

Drawing prayer  
circles often  
feels foolish

Drawing circles  
means taking risks

God calls us to do  
things that don't  
“add up”

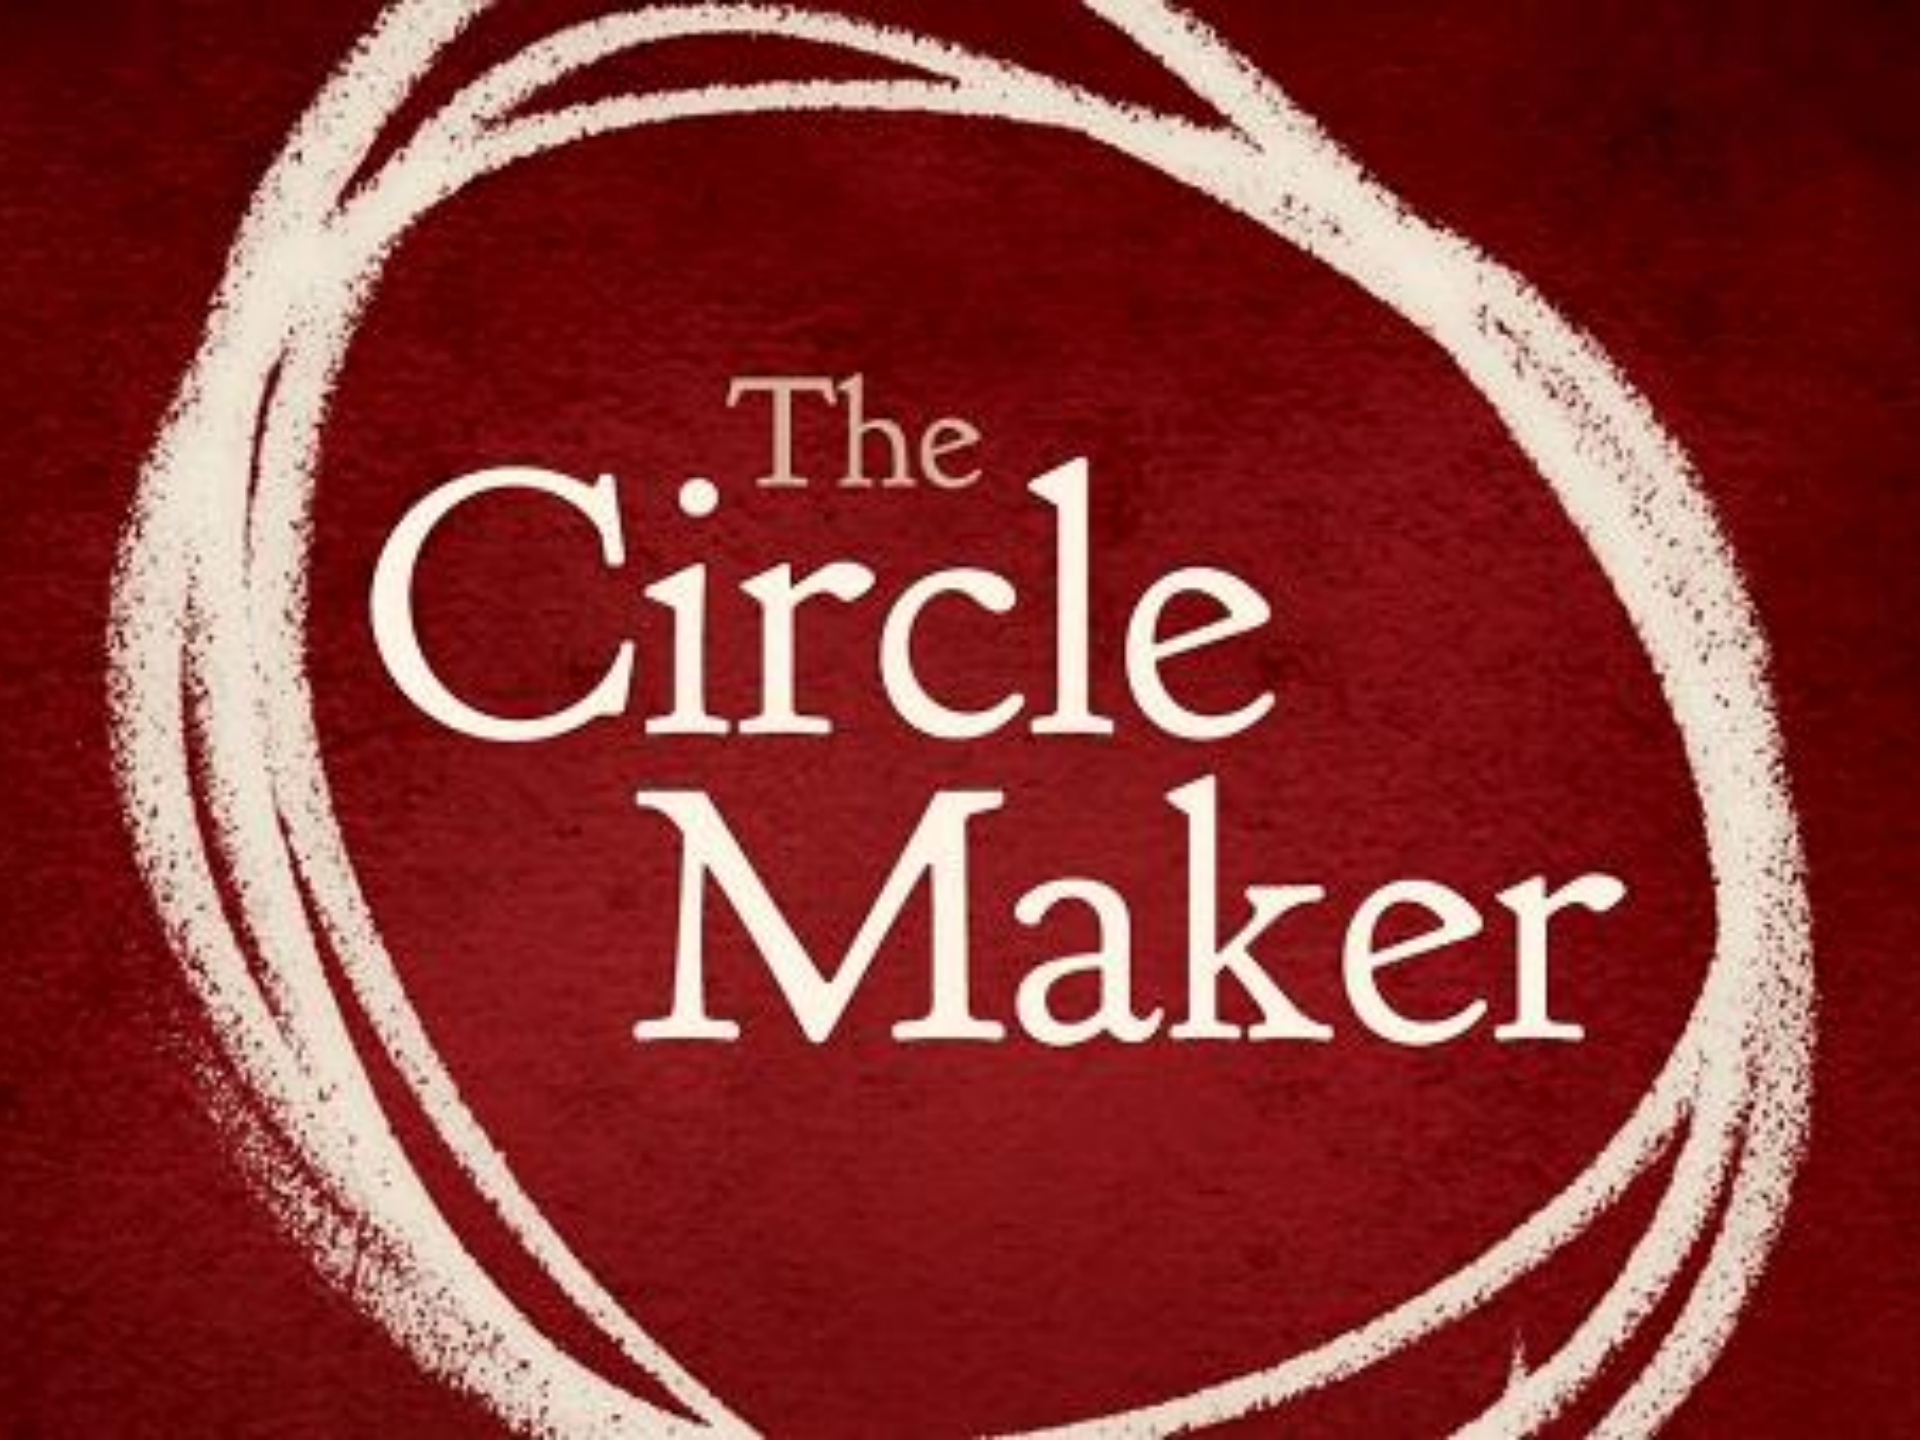

$$5 + 2 \neq 7$$

$$5 + 2 = 5000 \text{ R}_{12}$$

We may know  
addition &  
subtraction, but God  
teaches multiplication

“Is the Lord’s arm  
too short?”

God's grace  
and power  
know no limits
